To,
The Principal,

Sir/ Madam,

Sub: Work Shop on Global opportunities in Finance, Auditing and Taxation- Request your presence- Reg.

I am happy to inform you that the Department of Commerce, Osmania University is organizing a half day workshop on "Global opportunities in Finance, Auditing and Taxation" in collaboration with Association of Chartered Certified Accountants (ACCA) at Vivant by Taj, Begumpet on 19th July 2019 at 10:00 am.

The idea of the workshop is to enlighten the Managements of Constituent and Affiliated Colleges of Osmania University regarding the International career opportunities available to the B.Com. students in the area of Finance, Auditing and Taxation.

Osmania University has entered into MOU (Memorandum of Understanding) with ACCA, a global body for Professional Accountants, for providing subject exemptions to the Osmania University B. Com General & Honour's. This helps the students to acquire ACCA qualification along with their B. Com. Degree. Further, they also save a substantial money as they need to pay registration & examination fees only for non-exempted papers.

You are requested to attend the workshop along with the Head, Department of Commerce and Faculty of your college to get the first hand information on various professional opportunities available to the commerce students both at the national and international level. Lunch follows.

With regards,

Prashanta
