

SEVEN DAY NATIONAL ONLINE WORKSHOP ON FINANCIAL LITERACY FOR POST-GRADUATE STUDENTS

Sponsored under RUSA 2.0
7th to 13th September, 2020

Organised by

Centre for Promotion of Financial Literacy (CPFL)

Dept. of Commerce, University College of Commerce & Business Management, O.U., Hyderabad

About the Workshop

“The number one problem in today's generation and economy is the lack of financial literacy” (Alan Greenspan). One of the most crucial life skills that everybody requires is financial education. Money management is needed at every stage of life for a variety of reasons. The financial literacy aspect is not addressed by formal education system in many countries including India.

Even many students today are woefully ignorant about even basic financial matters like operating a bank account. In order to signal clear vision on institutions, instruments, income, investments, interest, inflation etc. The Centre for Financial Literacy is initiated a bold step to enhance the financial literacy levels of postgraduate students through this workshop with the help of specialized teachers, concerned professionals and trainers.
